*Proceedings of the Madras Government, Revenue Department,
9th May 1863.*

No. 102. Read the following letter from Lieutenant-Colonel S. O. E. LUDLOW, R. E., Deputy Chief Engineer, Northern Circle, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Public Works Department, dated Chepauk, 17th April 1863.
No. 628 :—

SIR,

1. I have the honor to forward for submission to Government a plan and estimate amount-

- 1 Letter from the Acting District Engineer Nellore, No. 655, dated 2nd April 1863.
- 1 Do. No. 193, dated 30th January 1863.
- 1 Plan.
- 1 Abstract Estimate.
- 1 Specification Report.
- 1 Memorandum from Deputy Chief Engineer, No. 617, dated 6th March 1863 (to be returned).
- 1 Do. No. 575, dated 5th February 1863 (to be returned).

ing to Rupees 255, for "constructing a Cook Room at the Dugarazapattam Travellers' Bungalow," in the Nellore District.

2. The estimate has, it appears, been prepared at the requisition of the Collector by whom it is countersigned. The Acting District Engineer represents that there is at present no Cook Room attached to the Bungalow, and that the want of one has heretofore been met by the cooking having been carried on in the back verandah and the Bath Room. The estimate for the Bungalow was originally prepared by Captain Burn and subsequently revised by Lieutenant Smith; and Captain Moberly, the present District Officer, explains the cause of this necessary work having been omitted from the original estimate to have apparently arisen from a Bungalow only having been called for.

3. I am not prepared to admit this excuse. But this does not affect the question of the necessity for the present estimate of Rupees 255 being carried out, to which I beg to solicit the sanction of Government, the cost to be met from the sum allotted in the Budget of 1862-63 for repairs under the head "Accommodation for Travellers," Nellore District, viz., Rupees 1,000.

4. The estimate has been examined by this Department both as to quantities and rates and found correct.
