*Proceedings of the Madras Government, Revenue Department,
9th May 1863.*

No. 104. Read the following letter from W. G. McIVOR, Esq., Superintendent Government Chinchona Plantations, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Ootacamund, 22nd April 1863, No. 116:—

SIR,

With reference to the Order of Government of the 13th instant, No. 647, I have the honor to annex copy of a communication addressed to Captain R. N. Taylor, Deputy Superintendent Coorg, explaining the arrangements I have made with that gentleman for supplying the Chinchona plants required.

From W. G. McIVOR, Esq., Superintendent Government Chinchona Plantations, to Captain R. N. TAYLOR, Deputy Superintendent of Coorg, dated Ootacamund, 18th March 1863, No. 102.

SIR,

1. I have the honor to acknowledge the receipt of your communications of the 11th and 14th instant, Nos. 335 and 359, and have the honor to inform you, that I shall reserve for experimental planting in Coorg from 1 to 200 plants of the different species of Chinchonas, these will be forwarded to you on the setting in of the western monsoon, and I will be obliged by receiving in due course a report on their progress.

2. I regret that I am unable to supply this year the 4 or 5,000 Chinchona plants ordered by the planters and heads of the principal families in Coorg; your name however shall be registered for that number of plants, and they will be supplied early next season, there will be no difficulty in conveying the plants to Coorg during the monsoon.

3. It may prove an advantage in the plants not being supplied to the planters this season, inasmuch as your experience with the 200 plants which will be forwarded, will enable you to select on their behalf such species only as are likely to succeed in your locality.

(Signed) W. G. McIVOR,
Superintendent Government Chinchona Plantations.

No. 105. ORDER THEREON, 9th May 1863, No. 805.
