*Proceedings of the Madras Government, Revenue Department,
15th May 1863.*

No. 188. Read the following letter from Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, dated Camp Ootacamund, 6th May 1863, No. 518 :—

SIR,

1. With regard to the Government Order No. 755, of the 1st of May 1863, I have the honor to inform you that I have circulated an order to all the Officers in the Department to forward their Statements of Receipts and Charges monthly, with as much expedition as possible, these Statements, however, must necessarily be sometime in arrears.

2. The Tahsildars seldom forward their accounts until three weeks after the close of the month. The Forest Officer of the District may then be unavoidably absent from his Office inspecting operations in some portion of his forests and probably out of the reach of any tappal. I hope, however, to be able to forward these Statements more regularly in future, but I fear that they must be often a month or six weeks in arrears.

No. 189. ORDER THEREON, 15th May 1863, No. 847.

Resolved that the Acting Conservator of Forests be called upon to explain why the Officers of the Forest Department should wait for the accounts of the Tahsildars to prepare the monthly Statements of Receipts and Charges.

(Signed) J. D. SIM,
Secretary to Government.
