Proceedings of the Madras Government, Revenue Department, *18th May* 1863.

No. 212. Read the following Proceedings of the Board of Revenue, dated 24th April 1863, No. 2,378:—

Read the following letter from J. SILVER, Esq., Collector of Tinnevelly, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 2nd April 1863, No. 139.

SIR,

1. With reference to the Board's Telegram of the 12th January 1863, requesting that a sum of Rupees 561-6-3, being the value of the articles indented for for the Pearl Bank Schooners may be remitted to the Principal Commissary of Ordnance at Fort Saint George, I have the honor to state, that the Superintendent of Pearl Banks reports in his letter of the 28th March, that a further sum of Rupees 64-15-7, has been incurred on account of the value of Copper and packing materials, as will be seen from the accompanying copy of a letter to his address from the Principal Commissary of Ordnance. I therefore request the Board will be pleased to obtain the sanction of Government for the disbursement of the above sum.

2. The sanctioned Budget contains the necessary provision for the above charge.

ENCLOSURE No. 1.

From Lieutenant-Colonel J. L. BARROW, Principal Commissary of Ordnance, to the Assistant MASTER ATTENDANT of Tuticorin, dated Fort Saint George, 27th February 1863, No. 4,356.

SIR,

1. With reference to your Indent dated 5th September and passed 18th October 1862, I have the honor to inform you, that the dimension of 12 Copper sheets 18 oz. per square foot, 48×24 has been altered by the Inspector General of Ordnance and Magazines to 48×30, and the value thereon increased from Rupees 80-1-4 to Rupees 100-1-7, and request you will have the goodness to remit to me the difference of Rupees 20-0-3, at your early convenience.

2. I beg also to request, with reference to instructions from the Inspector General of Ordnance and Magazines, you will be good enough to transmit the sum of Rupees 44-15-4, being the value of materials expended in packing Stores supplied on the Indent alluded to. It is requested that the accompanying Indent may be receipted and returned.

1. Ordered to be submitted to Government with the Board's recommendation that the further charge of Rupees 64-15-7, incurred by the Collector of Tinnevelly on account of the Pearl Banks be sanctioned.

2. A sum of Rupees 976-8-0, was sanctioned in the Order of Government quoted in the margin* for the purchase of certain Stores, &c., on account of these Pearl Banks, part of which to the extent of Rupees 561-6-3, was to be obtained on payment from the Arsenal at Fort Saint George. The excess charge for which sanction is now solicited is occasioned, as the Principal Commissary of Ordnance explains in his letter to the Superintendent of the Pearl Banks (copy of which is forwarded by the Collector), by the size of the Copper sheets supplied being larger than that indented for, and by the addition of packing charges.
