Proceedings of the Madras Government, Revenue Department, 21st May 1863.

No. 255. Read the following Proceedings of the Board of Revenue, dated 18th May 1863:—

Read the following letters from the Collector of the Godavery District, dated 30th April and 2nd May 1863, Nos. 91 and 95, stating that Mr. W. Gibson and Mrs. Beenlen have applied for permission to purchase lands at Cocanada and Juggernaickpuram, and requesting sanction for putting them up to auction at the upset price.

(In Cons. 8th and 11th May 1863, Nos. 2,797 and 2,851.)

Ordered to be submitted for the sanction Government under the old rules, as the new rules for the sale of unassessed waste are not to operate in the Delta.

(A true Extract.)

(Signed) W. HUDLESTON, *Secretary*.

No. 256. ORDER THEREON, 21st May 1863, No. 881.

1. The Order of the 4th May 1863, No. 759, does not preclude Government from selling land in the Delta Talooks under the new rules in those instances in which they think fit to do so.

2. The lands applied for are building sites, and the reasons which led Government to except the Delta Talooks from the operation of the new rules do not apply to them. They will accordingly be sold under those rules at the upset prices proposed by the Collector.

3. The rules of 1859 are no longer in force, except of course as regards lands now held under them.

(Signed.) J. D. SIM,
Secretary to Government.
