*Proceedings of the Madras Government, Revenue Department,
22nd May 1863.*

No. 263. Read the following letter from Major F. J. B. PRIESTLEY, Superintendent Revenue Survey, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Chepauk, 28th April 1863, No. 342/14:—

SIR,

1. On the breaking up of No. 2 Survey party to proceed to Kurnool, it was found necessary to leave a detachment in the Godavery District under an Assistant Superintendent for the purpose of making corrections and examining, testing and completing details.

2. The Dresser's services being required more urgently at Kurnool with the head quarters and main body of the party he was removed from Rajahmundry, and application made by Major Crewe, Deputy Superintendent Revenue Survey, through the Assistant Superintendent in charge, Mr. Gompertz, to the Zillah Surgeon, that arrangements should be made by him for the treatment of the sick of the Survey Establishment.

3. To this Dr. Macdonald replied that he was prepared to undertake the charge, but wished to know what remuneration the Survey Department was prepared to give for the additional work.

4. Major Crewe refers the matter to me and, as I believe the Medical Rules do not contemplate remuneration being made for extra work of this nature, I have the honor to request that the necessary instructions may be issued to ensure members of the Survey Department receiving Medical aid in Rajahmundry during the time that may elapse before their rejoining the head quarters of the party at Kurnool.

No. 264. ORDER THEREON, 22nd May 1863, No. 885.

The Inspector General Medical Department will instruct the Zillah Surgeon to afford Medical aid to the sick of the Survey party when sent to his station for treatment. The Government cannot admit his claim to extra remuneration for such service.

(Signed) J. D. SIM,
Secretary to Government.
