*Proceedings of the Madras Government, Revenue Department,
23rd May 1863.*

No. 279. Read the following letter from W. HUDLESTON, Esq., Secretary to the Court of Wards, to J. D. SIM, Esq., Secretary to Government, Revenue Department, dated Madras, 2nd May 1863, No. 2,614:—

SIR,

1. With reference to Proceedings of Government dated 21st November 1862, No. 2,455, I am directed by the Court of Wards to forward the accompanying letters from the

Ganjam, 24th December 1862, No. 314.
Vizagapatam, 27th December 1862, No. 1,044.
Madras, 9th March 1863, No. 51.

Collectors of the Districts noted in the margin, together with a Statement of the servants employed on Minor Estates in Ward, for whom the concession granted in the above Proceedings, of counting their

service on such Estates towards pension, is claimed. In all these instances, the claim rests on the fact that these men were formerly in Government employ, and were selected for their present posts with reference to their experience and business habits, their former situations being permanently filled by others. It is only necessary to add that service under the Court of Wards

Circular Order Board of Revenue, 5th September 1856, page 51 of Volume II.

has hitherto been reckoned as service under Government, the Governor in Council having in paragraph 2 of Proceedings 28th August 1856, No. 202, observed

"that employment under the Court of Wards is the same as under Government. The Collector being always the Agent of the Court of Wards, is at liberty to employ any public servant he pleases upon the responsible duties of management. Accordingly in all cases in which a public servant, already on the permanent Establishment, may have been employed by the Collector, as Agent under the Court of Wards, the period during which he has been so employed will be allowed to count as service entitling him to pension."

2. The Proceedings of Government under reply do not apply in the other Districts, where there are Estates in Ward.

Proceedings of the Madras Government, Revenue Department,
23rd May 1863.

No. 280. ORDER THEREON, 23rd May 1863, No. 893.

The persons entered in the Court's Return will be allowed to reckon their service under the Court of Wards (if otherwise admissible) towards pension. But Government servants will not in future be employed in the Estates of Minors without losing that privilege.

(Signed) J. D. SIM,
Secretary to Government.

From G. S FORBES, Esq., Collector of Ganjam, to W. HUDLESTON, Esq., Secretary to the Court of Wards, dated Russelcondah, 24th December 1862, No. 314.

1. With reference to the Court's Proceedings of the 26th ultimo, No. 7,774, I have the honor to annex a list showing the names and designations of individuals who should in my opinion be allowed to reckon their services in the Estates under the management of the Court towards pension.

2. These incumbents were originally in Government employ and were selected for their present posts with reference to their experience, the situations they had held being permanently filled by others, their services under the Court of Wards being reckoned as counting for pension under paragraph 225 of the Uncovenanted Servants Vade Mecum. The Court, in their Proceedings of 15th September 1862, No. 6,134, have stated that "the managers of Proprietary Estates under the administration of the Court of Wards are virtually servants of Government," and as the functions of the Court are unquestionably of a public nature, it is both consistent and just that those of their agents, who have been selected from among persons in Government employ, should be allowed to count their present service towards pension. As the services of efficient and experienced men cannot be procured among persons not trained to public business, it would be inconvenient to remove present incumbents until suitable substitutes offer, and unjust to keep them out of office which they can be re-appointed.

1. With reference to the Court's Proceedings dated the 5th ultimo, I have the honor to submit herewith a list of the service of the Manager of the Naikaurpaty Minor's estate from which the Court will see that he served under Government 10 years prior to his appointment as Manager, which was sanctioned by the Court in their Proceedings of 3rd July 1861, No. 3,473.

2. As there is no vacancy at present on the Establishment of Government, I could not restore him to the Government service in advertence to the Proceedings of the Court of Wards dated 26th November, No. 7,774, and was therefore obliged to support in my letter to the Court of the 23rd December, No. 279, the recommendation of the Sub-Collector that the existing arrangement in his case be allowed to stand.
