*Proceedings of the Madras Government, Revenue Department,
26th May 1863.*

No. 285. Read the following letter from W. G. McIVOR, Esq., Superintendent Government Chinchona Plantations, to J. D. SIM, Esq., Secretary to Government, Revenue Department, dated Ootacamund, 10th May 1863, No. 4:—

SIR,

I have the honor to forward Catalogue for 1862-63 for the approval of Government, of the plants, seeds, &c., available for sale in the Government Gardens. Should the Government approve of this Catalogue and prices, I beg to solicit the favor of 200 copies being printed for distribution.

No. 286. ORDER THEREON, 26th May 1863, No. 896.

1. Authority is granted for 200 copies of the Catalogue submitted with this letter being printed at the Government Press for distribution.
2. Mr. McIvor will be requested to submit an annual return of the sales of the chief species—varieties and fancy plants being omitted.

(Signed) J. D. SIM,
Secretary to Government.

I have looked over the list and I do not think that
 the prices are high. I have marked a few as high but it
 must be recollected that there are rare imported plants
 and a return of value should be called for in
 fact a return should be furnished
 annually. There is no being
 but his argument is that
 prices in these the further
 the business of selling.
 the farther - and as
 can be seen in the buyers.
 true - but for which, I
 find excellent in the
 are not worth the time as
 I should ask for a list
 of the chief species -
 varieties & fancy plants and the
 have near the same in general.

No. 896.

Authority is granted for 200 copies of the Catalogue
 submitted with this letter being printed at the Government
 Press for distribution.

Mr. Mavor will be requested to submit an an-
 nual return of the sales of the chief species - Varieties and
 fancy plants being permitted.
