*Proceedings of the Madras Government, Revenue Department,
27th May 1863.*

No. 311. Read the following Proceedings of the Board of Revenue, dated 21st May 1863:—
Read the following letter from Honorable R. S. ELLIS, c. B., Collector of Madras, to
W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Sydapet,
18th May 1863, No. 180.

SIR,

1. I have the honor to enclose an application made on behalf of the Conjeveram Civil Dispensary, for a piece of ground required as a site upon which to erect a suitable building for the Dispensary.

2. The ground in question measures C. 0 A. 12 A. 0, and is the property of Government. It is central and well suited for the site of a Dispensary. I would, therefore, recommend that the sanction of the Government may be obtained for making over this site to the Managers of the Conjeveram Civil Dispensary.

3. The building at present occupied by the Dispensary is not sufficiently central, and I have no doubt that if the land applied for is granted by the Government, the wealthier inhabitants of Conjeveram and other parts of this District will very readily contribute funds for the required building.

Ordered to be submitted for the sanction of Government.

To, The Honorable R. S. Ellis C.B.
Collector of the Madras District.

Sir, I have the honor by desire of the President and Members of the Committee of Management of the Canjeevaram Civil Dispensary to apply to you for a suitable piece of land on which to erect a building for a Civil Dispensary at Canjeevaram. A piece of ground measuring exactly one Canine, situated next the late record Office, and bounded on the North by a portion of the Town, on the South by the old record Office, on the west by the Free Church of Scotland's Mission school, on the East by some dwelling houses, and the main road which passes N. and S. is now lying waste, and they are of opinion that if this spot of ground were obtained, they might be able to buy out the few native huts that shut it out from the main road towards the East, and thus render the Hospital not only conspicuous but somewhat central and more convenient for the inhabitants of Canjeevaram. The Committee hope that should they

they be so fortunate as to succeed in their applica-
-tion to be able to erect a building which besides
being equal to the wants of this populous Town
will be a Credit to the inhabitants, they respectfully
beg you will be pleased to give their request your
kind support and assistance in furthering their co-
nviews and if necessary laying the same before our
Government.
