No. 316. Read the following letter from W. G. McIVOR, Esq., Superintendent Government Chinchona Plantations, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Ootacamund, 20th May 1863, No. 6:—

SIR,

1. I have the honor to enclose the plan of a set of hardening-pits or cases, proposed to be erected in the Chinchona Nurseries at Ootacamund, and beg to solicit the sanction of Government for the construction of the same, at an estimated cost of 1,000 Rupees.

2. These pits will contain from 70 to 75,000 plants, and will thus prove of great advantage in enabling us more efficiently to protect our young Chinchona plants, when removed from the propagating houses, until they are able to bear exposure in the open air.

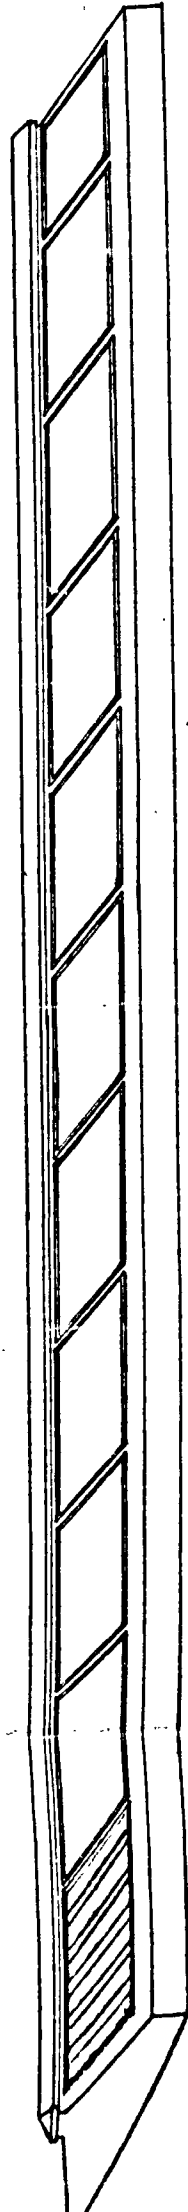

No. 317. ORDER THEREON, 27th May 1863, No. 913.

Sanctioned. The expense, if not specially provided, to be met from savings in the Budget allotment of the year 1863-64.
