Proceedings of the Madras Government, Revenue Department, 28th May 1863.

No. 320. Read the following letter from Lieutenant-Colonel E. HEMERY, R. E., Superintending Engineer 3rd Division, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Department Public Works, dated Camp Madanapalle, 15th May 1863, No. 5:—

SIR,

1 Plan.
1 Abstract Estimate.
1 Collector's Memorandum.
1 Report.

1. I have the honor to submit, for the sanction of Government, a plan and an estimate amounting to Rupees 1,160, prepared at the request of the Collector of Cuddapah, for providing additional accommodation for the Deputy Collector in charge of the Treasury at that station.

2. In the accompanying Memorandum the Collector points out the inadequacy of the present building, in which the Deputy Collector with his Establishment of twenty Clerks, transacts business, and I may be allowed to add that owing to the number of tables, chairs and boxes in the rooms, there is hardly space enough left for a person to move about from one part of the building to the other.

3. As the requisition for this estimate was only made by the Collector in February last, it could not be forwarded in time for entry in the Budget of 1863-64, I therefore beg to request that a grant of Rupees 1,160 be sanctioned from the Reserve Fund, as the work may well be considered of an emergent nature.

Referred to the Revenue Department.

20th May 1863. (Signed) W. I. BIRDWOOD, Colonel, R. E.,
Secretary to Government, P.W.D.

No. 321. ORDER THEREON, 28th May 1863, No. 915.

Approved.

Sir,

I have the honor to submit for the sanction of Government a plan and an estimate amounting to Rs. 1160 prepared at the request of the Collector of Cuddapah, for providing additional accommodation for the Dy. Collector in charge of the Treasury at that Station.

2. In the accompanying letter, the Collector points out the inadequacy of the present building in which the Dy. Collector puts his establishment of 20 Clerks, Head Assts, Peons, and Guard allowed to it, (adding) that owing to the Station - the Public Offices and Bungalows in the Station - the Clerks have to occupy the rooms, there is hardly space enough left for a Peon to move about from one part of the building to the other.

3. As the requisition for this Estimate was only made by the Collector in February last, it could not be forwarded in time for entry in the Budget of 1863/64, I therefore beg to request that a grant of Rupees 1160 be sanctioned from the Reserve Fund, as the work may well be considered of an emergent nature.
