Read also the following Official Memorandum from the Collector of the same District, dated 12th February 1863, No. 3.

In reply to a Memorandum dated 10th instant, No. 78, from the Secretary to the Board of Revenue, the Collector has the honor to state that no report of the service Yeomiah was hitherto made, as the lapsed share was continued by him to Shake Alli, son of the last holder from the date of the latter's death, on the ground that the service in the Mosque was kept up under paragraph 7 Board's Circular Orders of the 27th July 1848, and payments were accordingly made to him quarterly, but as the Civil Paymaster has refused to pass the charge without special sanction, a Statement of the Yeomiah has now been submitted to the Board.

1. Ordered to be submitted to Government with the Board's recommendation that as the service in the Mosque for which the grant was made appears to have been duly maintained since the death of the last incumbent on the 7th June 1858, the share of 40 Rupees enjoyed by the deceased, and which the Collector has continued to disburse to Shake Alli, the deceased's son, under the impression that the sanction of higher authority was not required for so doing, in such cases be confirmed to the present recipient, and that the Civil Paymaster be instructed to pass the charge accordingly.

2. The proper course in the case in question, was for the Collector to report the lapse when it occurred, for the orders of Government through the Board of Revenue in conformity with the Board's Circular Order of 22nd May 1845.
