Proceedings of the Madras Government, Revenue Department, 14th January 1863.

No. 175. Read the following Proceedings of the Board of Revenue, dated 7th January 1863:—

Read the following letter from J. SILVER, Esq., Collector of Tinnevelly, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Tinnevelly, 29th December 1862, No. 549.

SIR,

1. I have the honor to acknowledge the Proceedings of Government dated 17th December 1862, No. 2,623, communicated to me by the Board on the 23rd idem.

2. In reply to paragraph 2, I beg to state, that there is no building at Covilputty available for a Sub-Collector's Office. There is a good public Bungalow, but it is required for the use of travellers, Covilputty being on the high road leading from Tinnevelly to Madura.

3. As the Government have approved of Covilputty being made the station of the Sub-Collector on the recommendation of Mr. Robinson, and as that gentleman has held no communication with me on the subject, and I am not aware of the reasons assigned by him, I request the Government will be pleased to favor me with a copy of his Memorandum, for my information.

4. If the three northern Talooks of Tinnevelly are to be constituted the Sub-Division, I am at a loss to understand what advantage is to be gained by placing the Sub-Collector at the southern extremity of his charge. Covilputty is in the Sattur Talook, 4 miles from the southern boundary of the Talook, and 34 miles from the frontier at Ooselamputty. If Strevillyputtur is not approved of as the station of the Sub-Collector, then I would recommend Cusbah Sattur, 13 miles north of Covilputty, and also on the high road, No. 4, being made the Sub-Collector's head quarters, as a more centrical station. In that case, the Post Office now at Viruduputty also in the same Táluq, and on high road No. 4, but 17 miles north of Cusbah Sattur, might with great advantage be moved to Sattur.

5. With reference to the concluding part of paragraph 5 of the Government Order, I shall place the Salt Deputy Collector Ramiah at Trichendoor, in temporary Magisterial charge of the town, and as desired, I shall give the subject of the division of the Salt charge further consideration and report on the same as early as possible.

1. Ordered to be submitted for the consideration and orders of Government.

2. The Board have not been informed of the grounds on which the Government came to the decision, that Covilputty should be made the head quarters of the Sub-Collector.
