*Proceedings of the Madras Government, Revenue Department,
1st June 1863.*

No. 1. Read the following Proceedings of the Board of Revenue, dated 27th April 1863 :—
Read the following letter from R. W. NORFOR, Esq., Superintendent of Stamps, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Madras, 23rd April 1863, No. 979 of Fasli 1272.

SIR,

1. I have the honor to report that on the 16th instant, the Superintendent of Stationery delivered to me 40 cases of water-marked paper as per margin.

2. The stock of water-marked paper for Judicial Stamps, now in this Office, is equal to the issue of 15,79,680 Stamps, which will meet the requirements of the Department until February next.

3. The paper now received is in part of the 1,500 Reams mentioned in paragraph 3 of the Despatch of the Secretary of State for India, 17th December 1862, No. 54,

and communicated under the Board's Order No. 609 of 30th January 1863.

4. There is still a further quantity to arrive, viz., 600 Reams of No. 3 and 100 Reams No. 4, which will probably last until June 1864.

5. All that is necessary, therefore, is to secure the shipment of a two years' stock or say 4,400 Reams to arrive in 1864, and that a portion of it should reach Madras early in the year.

6. In paragraph 5 of the letter of the Secretary of State, it is said that Nos. 2 and 3 paper only will be made in future, it will, therefore, be desirable to request that No. 3 only may be shipped to Madras, No. 2 being unsuitable to the wants of this Presidency.

1. Ordered to be submitted to Government with the request that the necessary arrangements may be made for securing the receipt of 4,400 Reams of No. 3 size of water-marked paper in 1864, of which part should be delivered here early in that year.

2. This supply will place the stock in what should be its normal condition, viz., a sufficient supply to meet the demand of the current and next ensuing years, and it will be thenceforward maintained in that condition by an annual indent for one year's supply to replace current issues.

(A true Copy and Extract.)

(Signed) W. HUDLESTON, Secretary.

No. 2. ORDER THEREON, 1st June 1863, No. 929.

1. Resolved that a copy of the Despatch to the Secretary of State, dated 11th March 1863, No. 21, in which application was made for supplies of water-marked paper required in 1864 agreeably to the request contained in the Board's Proceedings, dated 25th February 1863, No. 1,159, be forwarded to them for their information.

2. The Board will be requested to submit in future regular indents for supplies of water-marked paper that may be required from England. The Secretary of State has been requested to confine all the supplies of water-marked paper to this Presidency to No. 3.
