*Proceedings of the Madras Government, Revenue Department,
1st June 1863.*

No. 10. Read the following letter from the Honorable D. ARBUTHNOTT, Collector of Salem, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Madras, dated Salem, 26th May 1863, No. 13 :—

SIR,

I have the honor to forward the accompanying Indent in triplicate on the Commissary General, prepared by the Engineer of this District, for six iron cots required for the use of certain Travellers' Bungalows in this District. This Indent was prepared by the District Engineer at my request, as iron cots are preferable to wooden ones. The Indent was sent by Captain Gahagan to the Commissary General. The Commissary General requests that the sanction of Government may be obtained for the issue of the iron cots, on payment, from the Stores of his Department. The wooden cots in the Bungalows named in the Indent are unserviceable to the great inconvenience of travellers. I therefore request that Government will authorize the Commissary General to supply the required number of cots at an early date.

No. 11. ORDER THEREON, 1st June 1863, No. 934.

Referred to the Board of Revenue through whom all subjects connected with public Bungalows should be submitted.

(Signed) J. D. SIM,
Secretary to Government.
