Proceedings of the Madras Government, Revenue Department,
1st June 1863.

No. 16. Read the following Proceedings of the Board of Revenue, dated 8th May 1863,
No. 2,779:—

Read the following letter from M. J. WALHOUSE, Esq., Acting Collector of Trichinopoly,
to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 13th April 1863,
No. 59:—

SIR,

1. Enclosed I have the honor, as directed in the Board's Proceedings, No. 1,109, dated the 24th February 1863, to submit the prescribed Tabular Statement for the additional Establishment proposed for the Tottiem Bungalow. I have, as the Board will observe, provided for one Sweeper only; and I further consider that in Museri also one Sweeper is enough. The additional Sweeper at Museri, and the Sepoy and Sweeper at Tottiem, whose services will not be required on the introduction of the regular Establishment, may be employed as shown marginally, the Museri Sweeper to be transferred to Thovaramcoorchi, and the Tottiem Sepoy and Sweeper to Manavassi and Covilpatty respectively. This arrangement is, I consider, highly necessary for the cleanliness of the buildings, and the convenience of travellers.

Thovaramcoorchi...	112	Sepoy ...	Sweeper.

Manavassi	74	Sweeper.	Sepoy ...

2. The Establishment at Volcondapuram consists of one Sepoy on Rupees 2-12-9, and a Sweeper on Rupees 1-8-0.

3. No provision was made either in the current or in the ensuing year's Budget for the extra charge in connection with the Tottiem Bungalow.

10,502	0	0																Since the opening of the rail to Salem, the road from Salem to Trichinopoly is much frequented. Complaints are rife as to the discomfort travellers are put to from want of proper attendance at the Tottiem Bungalow. It is therefore requested that the necessary sanction may be obtained to entertain regular servants at Tottiem as shown herein. It is also proposed that the additional Sweeper attached to Museri may be transferred to Tuve-rankurchy where there is no Sweeper, and the Sepoy and Sweeper now at Tottiem to Manavasi and Covilpatty respectively; this arrangement is necessary for the cleanliness of the buildings and convenience of travellers.

*Proceedings of the Madras Government, Revenue Department,
1st June 1863.*

1. Ordered that the Tabular Statement received with the above letter be forwarded for the orders of Government with reference to Board's Proceedings 29th January 1863, No. 597, and Proceedings of Government thereon, dated 11th February 1863, No. 308.

2. The Collector proposes an Establishment of servants costing 12 Rupees a month for the Tottiem Bungalow; transferring the Sepoy and Sweeper now there to Manavassi and Covilpatty, and the additional Sweeper at Museri to Thovaramcoorchi, the latter arrangement however involving no additional expense. By the entertainment of the Establishment proposed for Tottiem, the cost of the Bungalow Establishments in Trichinopoly will be raised from Rupees 49-9-3 to Rupees 61-9-3 per mensem.

3. The Collector states that no provision has been made for the extra charge of 12 Rupees a month in the Budget: the Board however observe that provision has been made in the Budget of 1863-64 to the extent of 798 Rupees, exclusive of 200 Rupees for Saderwarid and Contingencies, for Bungalow Establishments of Trichinopoly, which is more than sufficient to meet the increased cost now proposed.
