JUDICIAL DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from A. W. PHILLIPS, Esq., Civil and Sessions Judge of Chingleput; to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George, dated Chingleput, 21st May 1863, No. 212.

With reference to the Proceedings and Order of the Madras Government, dated 22nd April 1863, No. 320, sanctioning certain arrangements suggested by the Inspector General of Mofussil Police, regarding the withdrawal of the Police Guard from the Courts, I have the honor to submit, for the information of His Excellency the Governor in Council, that the Collector's Treasury to which the Inspector General suggests remittances should be daily made, is in this District no less than 30 miles from the Court, and the nearest Taluk Cutcherry eight, through a very wild tract of country which renders the carrying out of his suggestion impracticable, unless, as I would urge, and as I believe the Collector of the District would agree with me in thinking it would be desirable on many grounds, the Taluk Cutcherry were removed from Tirukkalkundram to this station. I beg also to submit that when the Inspector General somewhat authoritatively lays down "there is or ought to be no Cash Chest in any Court House," he overlooked the fact that there is a large Jail, to meet the Contingent expenses of which, it is necessary to keep Rupees 2,000 in hand, the natural receptacle for which would be a Cash Chest, and the place for it to be kept in would, I presume, be the Court House.

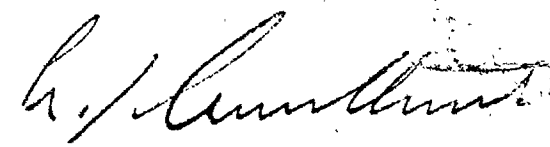

ORDER THEREON, 26th May 1863, No. 804.
