Your Petitioner, the Defendant, prays that the following issue may be sent down to the lower Court for decision in addition to those framed on the 2nd May 1863 :—

“Whether the East India Company at the time they brought their Suit admitted and dispensed with proof of the *bond fides* of the Razeenamah in Original Suit No. 18 of 1838 and of the consideration for which it was given.”

1. Your Petitioner has been informed and believes that the attention of the Government was expressly drawn to the above points at the time the plaint was being prepared, and that after deliberation they determined not to raise or call for evidence upon those points.
2. These facts were not known to the Privy Council at the time they decided that the question of consideration was open upon the pleadings and that evidence of consideration should be given.
