MILITARY DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers :—

From the Quarter Master General, Fort Saint George, 28th April 1863, No. 3530; to the Secretary to Government, Military Department.

I have the honor, by desire of His Excellency the Commander-in-Chief, to forward the documents as per margin, for submission to Government, and to recommend that, under the explanation given, the ground shewn upon the Plan, as revised in accordance with Mr. Hathaway's letter, may be added to the limits of the Cantonment of Bellary.

Copies of correspondence between Officer Commanding Ceded Districts and Collector of Bellary.
1 Sketch.
Statement of Compensation payable on account of Lands.
No. 135, dated 19th August 1862.

2. It will be perceived that the ground is urgently required as a spot in which to bury the sweepings from the Barracks occupied by the European Troops in Garrison.
3. This letter is transmitted through the Controller of Military Finance, in order that he may indicate from what source the sum required for Compensation viz., Rupees 295-12, can be provided.

From the Officer Commanding Ceded Districts, Head Quarters, Bellary, 26th March 1862, No. 33; to the Collector of Bellary.

I have the honor to forward herewith a sketch of a piece of land which I am desirous of having included in Military limits, and I have to request you will, before I forward an application to Government, inform me whether any objection exists to the arrangements.

This addition to our Military limits is at present urgently required as a spot in which to bury the sweepings, &c., from the Barracks occupied by the European Troops in Garrison, and which cannot now, in consequence of the location of the Artillery on the Plain near the Parsonage, be deposited on the spot formerly used for that purpose.

It is not intended to interfere more than is absolutely required with the owners of the garden and of the fields in the piece of ground.

From the Collector of Bellary, Ramandroog, 16th April 1862, No. 55; to the Officer Commanding Ceded Districts.

With reference to your letter of the 26th ultimo, No. 33, I have the honor to enclose a Memorandum shewing the extent, assessment, &c., of the different plots which compose the portion of land which you wish to have included within Military limits.

2. No objections beyond those raised by the occupiers, exist to the said lands being thus included; and on your informing me what portions you wish to be actually resumed, the proper amount of Compensation will be determined, and the result communicated to you.

From the Officer Commanding, Ceded Districts, Head Quarters, Ramandroog, 21st April 1862, No. 47; to the Collector of Bellary.

In reply to your letter, No. 55, of the 16th instant, I have the honor to inform you that I consider it desirable that the whole of the space included in the Plan forwarded to you in my letter No. 33, of the 26th March 1862, should be included in Military limits.

From the Collector of Bellary, Hospet, 19th August 1862, No. 135; to the Officer Commanding Ceded Districts, Bellary.

* Letter from Major General I. C. Coffin, Commanding Ceded Districts, No. 33, dated 26th March 1862.
My reply, No. 55, dated 16th April 1862.
His letter, No. 47, dated 21st " "

With reference to the correspondence marginally* noted, I have the honor to enclose a Statement shewing the Compensation payable to the owners of the lands proposed to be included in the Cantonment of Bellary.

2. The land belonging to Dhurgachalam Moodelliar, consisting of eleven acres and four guntas, and assessed at Rupees 8-5-0, has not been included in the said Statement, as, in my opinion, it is not expedient to interfere with it,—the amount of Compensation payable for it being Rupees 920.

3. The lands applied for by the owners, in lieu of those which they are willing to relinquish, consist of Government waste land (to the grant of which no objection exists), and of portions of the lands in the possession of the Ryots who are willing to give them up.

4. The Plan which accompanied the letter from Major General I. C. Coffin, No. 33, dated 26th March last, is herewith returned.

Statement shewing the particulars of the Compensation payable on account of the lands proposed to be included in the Military limits.

BELLARY, COLLECTOR'S OFFICE,
6th April 1863.

(Signed) A. HATHAWAY,
Collector.

From the Controllor of Military Finance, Fort Saint George, 13th May 1863, C; to the Secretary to Government, Military Department.

I have the honor in furthering a letter from the Quarter Master General, dated 28th April 1863, No. 3530, with enclosures, relative to the inclusion of a certain plot of ground within the limits of the Cantonment, Bellary, for the purpose of burying the sweepings from the Barracks, to state, that it is not apparent why the sweepings should be buried within such limits, while there is waste land in the vicinity where it is presumed the sweepings might be disposed of.

2. Provision has been made in the Budget under the head of "ground rent" to a limited extent, and if the measure is really necessary, funds are available; but I would suggest that application be made to the Collector for permission to bury the sweepings in the nearest waste land available, if it is not too far removed from the Barracks.

ORDER, No. 1747, 28th May 1863.

Ordered that the foregoing papers be referred to the Revenue Department, in view to its being ascertained, whether the suggestion made in paragraph 2 of the letter from the Controllor of Military Finance, can be adopted.
