*Proceedings of the Madras Government, Revenue Department,
6th June 1863.*

No. 86. Read the following letter from P. GRANT, Esq., Collector of Coimbatore, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Ootacamund, 27th May 1863, No. 44:—

SIR,

1. I have the honor to bring to your notice that considerable inconvenience is experienced at Ootacamund from the want of some uniform standard of time easily recognizable by the community.

2. A gun to be fired at noon from the Jail Hill would be a public boon. Major Wapshare, the Joint Magistrate, will be glad to have all that is necessary done, if a gun is provided on behalf of the community. Therefore, I venture to request that Government will be pleased to lend me a small brass mortar, the necessary ammunition will be provided by the community. A brass mortar is asked for as it is easily moved, and its report is louder than that of a much larger piece of ordnance.

No. 87. ORDER THEREON, 6th June 1863, No. 972.

Transferred to the Military Department, with a view to the Collector's request being complied with if unobjectionable.

(Signed) J. D. SIM,
Secretary to Government.
