*Proceedings of the Madras Government, Revenue Department,
6th June 1863.*

No. 94. Read the following letter from Lieutenant-Colonel E. HEMERY, R. E., Superintending Engineer 3rd Division, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Department Public Works, dated Madanapalle, 14th May 1863, No. 4:—

SIR,

1. With reference to the Order of Government in the Revenue Department, No. 2,500 of the 28th November 1862, I have the honor herewith to forward for sanction, plans and estimates for a Sub-Collector's Cutcherry at Madanapalle in the Cuddapah District, and for a Cutcherry for the Head Assistant Collector at Hospett in the Bellary District.

2 Plans.
2 Abstract Estimates.
2 Reports do.
2 Proceedings Revenue Board.

2. The amount of the estimate for the Sub-Collector's Cutcherry is Rupees 3,720, whilst Rupees 1,910 are required for the accommodation of the Head Assistant Collector.

3. These documents have met with the approval of the Board of Revenue, who remark that it would be good economy to carry out the works at once, as the cost would speedily be covered by the saving in extra tentage.

4. The Collector of Cuddapah, in submitting the Madanapalle Cutcherry estimate to the Board of Revenue, remarks that allowing four months for the Settlement of three Talooks besides that at head quarters, the eight months' extra tent allowance that will be saved annually on the completion of the building amounts to Rupees 1,270, or rather more than one-third of the estimate; in the case of the Head Assistant, the annual saving will amount to Rupees 630 or rather less than one-third of the cost of his Cutcherry.

5. Under these circumstances I beg to suggest that the sums for these buildings be sanctioned at once from the Reserve Fund, the Order of Government calling for these estimates being dated 23th November last, it was obviously impossible to include them in the Budget of 1863-64.

Referred to the Revenue Department.

(Signed) W. I. BIRDWOOD, Colonel, R. E.,

Secretary to Government, P. W. D.
