Hon'ble

Sir - I have the honor to report for the information of the Government of India that the Bungalow and Out Offices mentioned in the accompanying Letter from the Secretary to the Government of Madras dated 15th January 1863 No 98 are intended to be erected at Burliar a place where travellers generally halt for an hour or two in Coonoor on the Ootacamund road - about 4 miles from Coonoor and 12 miles from Ootacamund

The Estimate for the Buildings amounts to Rupees 4950 which I think the Government of India will consider a moderate one for the purpose intended

The Buildings are intended for the accommodation of Europeans only
