No. 134. Read the following letter from Captain H. L. PRENDERGAST, R. E., Acting Superintending Engineer 4th Division, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Public Works Department, dated Madras, 22nd May 1863, No. 300 :—

SIR,

1 Letter No. 16, dated 5th May 1863.
1 Do. No. 54, dated 19th May 1863.
1 Plan.
1 Estimate.
1 Specification.

1. With reference to the Proceedings of Government No. 598, dated 12th March 1863, I have the honor to submit for sanction, the accompanying plan and estimate of the improvements ordered to be carried out in the building at present occupied by the Stamp Office Establishment.

2. The estimate which has been countersigned by Mr. Norfor, the Superintendent of Stamps, in token of approval, provides for the construction of a strong room with verandah; and an allowance of Rupees 400 has been included therein for the iron door alluded to in the Proceedings of Government in the Revenue Department, which accompanied those in the Public Works Department above quoted. The whole of the work I have directed to be carried out at once, agreeably to the orders of Government; and I beg to recommend that the estimated amount, Rupees 820, may be sanctioned from the Reserve Fund of the current official year.

3. There was no expenditure on the work up to the end of April 1863.

Referred to the Revenue Department.
