Proceedings of the Madras Government, Revenue Department, 15th January 1863.

No. 191. Read the following Proceedings of the Board of Revenue, dated 18th December 1862, No. 8,251:—

Read the following letter from P. GRANT, Esq., Collector of Coimbatore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 25th November 1862, No. 245.

SIR,

1. With reference to the Proceedings of the Board of Revenue, dated 19th October 1859, No. 4,244, transferring to Mr. Pelly for disposal the correspondence regarding the grant of fresh lands in lieu of certain unproductive ones originally assigned to some of the village officials in this District, I have the honor to state that no final orders were received, as the general revision of the Village Establishment was under discussion.

2. On Mr. Pelly's letter of the 18th August 1862, No. 1,362, recommending for sanction the new scale of emoluments for the village officials, Government passed an Order under date the 30th idem, that the matter should lie over. As it is likely that some time will elapse ere the matter is settled, I deem it right to bring forward two cases for the consideration and orders of the Board.

3. A Punjah land* measuring $6\frac{3}{16}$ Acres, bearing an annual assessment of Rupees 5-11-8, originally allotted for the pay of the Monigar of Sembaravully village in Coimbatore Talook, is unproductive and has been left waste for the last five years; the village is at present uninhabited; its revenue is 14 Rupees. There is one Monigar only, and he has hitherto performed his duties without remuneration; he is now unable, or rather unwilling to carry on his functions unless another piece of Government Punjah waste No. 60 measuring $6\frac{3}{16}$ Acres, and assessed at 5-11-8, situated in the above village, is given to him in lieu of that now held. There is no other Ryot able or willing to undertake the office of Monigar. From the inquiries instituted, it appears that no objection exists to the grant of land referred to; it is therefore requested that the proposed arrangement may be sanctioned.

* No. 16.

4. A land† No. 91 measuring $3\frac{7}{16}$ Acres, assessed at Rupees 3-15-11 allotted for the office of the Toty of Balaitoor village in Coligal Talook, and situated at the foot of a hill is rocky, and has been left waste for the last ten years. The Toty requests that two‡ pieces of Punjah lands, assessed at Rupees 3-14-2, held on Puttah by himself and his son in the same village, may be granted to him in exchange for the one assigned to him.

† Punjah.

‡ One piece No. 36 measuring $1\frac{1}{16}$ Acres assessed at Rs. 1 A. 3 P. 10
One do. No. 17 measuring $2\frac{13}{16}$ do. assessed at 2 10 4
Total... 3 14 2

5. No other land is available for the purpose; the proposed grant is unobjectionable, the son of the Puttahdar having consented to the proposal. It is requested that the sanction of the Board may be accorded to this arrangement also.

Ordered to be submitted to Government with the Board's recommendation that the proposed exchange of land be sanctioned.
