*Proceedings of the Madras Government, Revenue Department,
14th June 1864.*

No. 156. Read the following Proceedings of the Board of Revenue, dated 31st May 1864.
Read Proceedings of the Madras Government, dated 23rd May 1864, No. 887, Revenue
Department:—

1. The Board observe that their reply to the Government Order, dated 2nd May 1864, has
already been submitted to Government, and that the remarks of the Secretary to the Great
Southern of India Railway Company in England, are based on a misconception of facts.

2. The Agent for the Company in India would probably advance their interests more
speedily, were he to endeavour to overcome the combination against the purchase of the Vedar-
niem Salt, which there is much reason to believe, is fomented if not created by interested parties
at Negapatam.
