1. As stated in my letter of the 19th December 1863, No. 88, I beg to forward the plan* of Mr. Rae's Tea Plantation at Sholoor. The waste land to the south of the red line, it will be observed, belongs to Government, and is the "narrow strip extending up the valley, and embracing the Shola," to which I referred in paragraph 3 of my letter.

2. A Schedule and Specification of boundaries accompanies the plan.

No. 197. Proceedings of the Board of Revenue, dated 2nd May 1864.

Read the following letter from P. GRANT, Esq., Collector of Coimbatore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Coimbatore, 4th April 1864, No. 60.

SIR,

In reply to the Proceedings of the Board of Revenue, dated 16th ultimo, No. 1,651, and my reply of the 22nd idem, No. 57, I beg to inform you that on the morning of Thursday the 31st March, I visited Sholoor and found that 200 Acres of grass and 40 Acres of forest land are available for Mr. Rae's extension. In view to save time and trouble, it should be settled whether Mr. Rae is to choose any land he pleases or whether he is to point out generally the land he would like, the boundaries of the same being determined by the Collector. It is desirable that holdings of this kind should be compact and not be allowed to extend lengthwise to the disadvantage of the neighbouring lands.

Submitted for the orders of Government in continuation of the Board's Proceedings, dated 31st March 1864, No. 1,873. The Board consider that the limits of Mr. Rae's holding should be fixed by Mr. Grant for the reasons given by the latter gentleman.

No. 198. ORDER THEREON, 15th June 1864, No. 1,033.

Land Revenue.

1. Ordered to be communicated to the Government Solicitor in continuation of G. O. 14th January 1864, No. 76.

2. Mr. Grant will select 200 Acres of grass and 20 Acres of forest land which will be marked off and reserved until further orders.
