Proceedings of the Madras Government, Revenue Department, 15th June 1864.

No. 201. Read the following Proceedings of the Board of Revenue, dated 3rd June 1864.

Read the following letter from J. G. THOMPSON, Esq., Acting Collector of South Canara, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Mangalore, 19th May 1864, No. 83:—

SIR,

1. With reference to the Orders of Government dated 20th April last, sanctioning the purchase of a Hagar Press at Rupees 1,938-12-0, I have the honor to state that the amount has been remitted to the Superintendent of the Government Printing Establishment on the 18th instant.

2. The Order of Government above referred to reached me only one day previous to the close of the past official year, when every one was pressed for time.

3. Payment cannot now be made out of the savings pointed out in Mr. Morris' letter of 5th March 1864, those having lapsed with the official year.

4. But as the payment has been sanctioned by Government, and it is merely a matter of account how to provide for it, I have thought it not right to allow the Superintendent to be inconvenienced by any further delay.

5. The available earnings of the old press fall short of the required sum by Rupees 1,338-12-0, as is shown in the margin.* This deficit I propose to meet out of the provisions quoted in the margin† from the Budget of this year.

6. I request that sanction for the payment of the Rupees 1,338-12-0 in this way may be obtained as soon as possible, that my bills may be audited and the transaction closed in my accounts.

Ordered to be submitted to Government with the Board's recommendation that under the circumstances stated by the Collector, he be authorized to meet the cost of the Hagar Press sanctioned by Government in the manner pointed out by him, to which the Board see no objection.

No. 202. ORDER THEREON, 15th June 1864, No. 1,035.

Miscellaneous.

The charges on account of District Presses cannot be debited to Land Revenue. The entire sum of Rupees 1,338-12-0 will therefore be debited to B IV Miscellaneous, and the Accountant General will transfer to South Canara suitable sums from the provision made for other Districts under the same head which may appear to him large and likely to be saved.
