2. Adverting to the 3rd paragraph of the letter from the Inspector General of Ordnance and Magazines, appended to the above Order, I beg to explain that previous to receiving any intimation of 200 logs of Peemah being procurable from the Conservator of Forests in Burmah, I had directed the Commissariat Officer at Rangoon to call for tenders for the supply by Contract : but immediately on receipt of Colonel Simpson's letter, I wrote again to Rangoon directing that the 200 logs were to be purchased from the Conservator, provided that a Contract on more advantageous terms had not already been concluded.
