Read again letter from the Collector of Kurnool, dated 5th December 1863, No. 201, recorded in the Board's Proceedings, dated 22nd December 1863, No. 8,095 :—

Read also letter from the Officiating Conservator of Forests, dated 9th February 1864, No. 807.

With reference to the Proceedings of the Board of Revenue, No. 8,095, dated 22nd December 1863, I have the honor to inform you that funds are available from my Budget for the proposed charge of Rupees 12 per mensem for the Nundial Talook in the Kurnool District.

1. Resolved that the foregoing letters be submitted to Government.

2. In the first of these letters the Collector of Kurnool requests authority to employ an extra Gumashta in the Nundial Talook at a monthly cost of 12 Rupees on account of the great increase of work caused by the Forest Conservancy Department. This charge will have to be borne by the Forest Department; and a reference was made to the Officiating Conservator on the subject. The second letter above recorded is a reply from that Officer, in which he states that funds are available from his Budget to meet the proposed charge. Under these circumstances the Board request that Government will be pleased to sanction the entertainment of the extra Gumashta in the Nundial Talook, as requested by the Collector, his salary being charged to the Forest Department.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 22nd December 1863.

Read the following letter from J. I. MINCHIN, Esq., Collector of Kurnool, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 5th December 1863, No. 201:—

1. I have the honor to forward a Statement in the prescribed form for an increase of establishment rendered necessary in the Nandial Taluk, on account of the great increase of work caused by the Forest Conservancy Department.

2. The Head quarters of the Sub-Assistant Conservator being at Nandial, the mass of applications for licenses falls on that Taluk, and the accompanying Statement shows that more than six thousand, or upwards of five hundred a month have had to be prepared in the Nandial Cutcherry.

3. The work in this Taluk is otherwise not light, and I trust that the application for one extra Gumastah to be employed solely on this duty will meet with ready sanction.

4. It appears to me that the funds for his payment should be provided by the Conservancy Department.

5. In the Taluk of Nandial alone has any great increase of work followed the introduction of Conservancy into this District.
