Proceedings of the Madras Government, Revenue Department, 18th January 1864.

No. 205. Read the following letter from Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Camp Ootacamund, 8th October 1863, No. 711:—

SIR,

1. With reference to the Government Order No. 1,984 of the 13th of September 1862, I have the honor to forward copy of a letter from Major Morgan in charge of the Neilgherry Sholas.

2. I must state that I consider the seven Peons as a needless expense, for the last year two only have been employed, the number might, however, be augmented to four, this would give each Overseer the services of a Peon when necessary.

No. 206. ORDER THEREON, 18th January 1864, No. 106.

The Governor in Council approves of four Peons being again employed as proposed by the Officiating Conservator. The Establishment of Peons permanently sanctioned by the Supreme Government in their Order dated 3rd May 1862, No. 3,306, Financial Department, is seven at 7 Rupees each per mensem, so that the present arrangement causes a saving of Rupees 21 monthly.

Officiating Commissary of Musters

Sir

In accordance with the order of Government No 1982 dated 12th September 1862 I have the honor to report that the Scouts Now under my command are of no use whatever in fact are rather a hindrance than otherwise, as none understand a rifle and do not care to learn they are ever ready to carry their rifle and ammunition but very few will go scouting

2. I have entered the usual number of Men in the Budget but consider it essentially necessary that each Person to whom his rounds should be issued by three days would not have no forging parties found cutting wood in Shiloh and no giving evidence to secure conviction

I would.
