Proceedings of the Madras Government, Revenue Department, 21st June 1864.

No. 276. Read the following letter from the Honorable C. PELLY, Member of the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 20th May 1864, No. 1,715:—

SIR,

1. I have the honor to bring to the notice of Government that, as intimated in the second paragraph of my letter, dated 13th April last, No. 1,697, I have addressed the Collectors of the Zemindary Districts, noted in the margin, asking them whether the money transactions at the Sub-Magistrate stations in the Zemindary tracts of their Districts, are carried on to such a large extent as to demand the services of a Shroff at them. This requisition has been replied to by the Collectors of Tinnevelly, Madura, Kistna, Ganjam and the Godavery Districts. The two former state that there is no necessity for any such extra assistance in their respective Districts, but the other three Collectors urge the employment of a Shroff in certain Sub-Magistrate stations. The request of the Collectors of Ganjam and Kistna appears reasonable. The Collector of the Godavery District applies for a Shroff for each of the Sub-Magistrate stations in the Zemindary tracts of his District, but as the money transactions in the stations of Pittapur and Coringa are not so extensive as to require a Shroff (see Government Order, dated 2nd May, No. 753), being below 22,000 Rupees, I have not recommended a Shroff for them. In the other two stations the employment of one appears necessary. I accordingly given in the margin the stations in the three Districts abovenamed for which Shroffs are required, showing also the annual receipts and disbursements in them, and I have the honor to recommend that the sanction of Government may be granted for the employment of a Shroff at 10 Rupees per month in each of these stations.

The Honorable Mr. Pelly's recommendation for the employment of Shroffs in the Sub-Magistrate's Cutcherries noted in the margin does not appear to be based on correct data. He has taken into consideration the amount of annual receipts and disbursements instead of the monthly average, as was done in the case of the Sub-Magistrate's Offices in Vizagapatam. The similar average for the stations specified above are shown in the margin, and no Shroff can be allowed for the second and fourth places considering the limited extent of the transactions there. The Government are not disposed to allow a Shroff to those Sub-Magistrates
