Proceedings of the Madras Government, Revenue Department, 21st June 1864.

No. 280. Read again Board's Proceedings, dated 22nd January 1851, No. 448, and recorded in Proceedings of Government, 24th February 1864, No. 332.

Read also the following Proceedings of the Board of Revenue, dated 4th June 1864, No. 3,419.

Read the following letter from the Collector of Nellore, dated 19th May 1864, No. 140:—.

1. I have the honor to acknowledge the receipt of the Board's Proceedings of the 1st March last, No. 1,284, forwarding for report the Order of Government, Revenue Department, No. 332, dated 24th February 1864.

2. The Government observe that in the printed list of Yeomiahs in the Government Office, the Yeomiahs in question are stated to have remained undrawn, in the case of Miriambi from January 1850, and in that of Chandbi from January 1854, in consequence of the Yeomiahdars, though above the age of 50 years, having declined to personally appear and draw their pensions; and the arrears now recommended to be paid dating only from September 1859, I am required to report upon what authority the previous arrears were paid, and whether the Yeomiahdars did appear and give satisfactory proof of their identity preparatory to payment, &c.

3. In reply, I have the honor to state that Miriambi and Chandbi, the two females respecting whom this reference has arisen, are among those to whom the privilege of exemption from personal attendance was conceded in Extract from Minutes of Consultation, dated 30th September 1858, No. 1,329, Revenue Department, communicated with Extract from the Proceedings of the Board of Revenue, dated 28th January 1859, No. 341; and after due inquiry made by my predecessor, the late Collector, Mr. Elton, as to the existence and identity of the females in question in accordance with paragraph 1 of the said Board's Proceedings, their arrears of pension up to August 1859 in the one case as remarked by Government from January 1850, and in the other from January 1854, was disbursed in September 1859 under the authority above quoted, and their personal attendance likewise was not insisted on.

4. As regards their present existence and identity, I have the honor to state that a Yeomiahdar receiving 15 Rupees a month himself has come forward and stated he will be security as regards Miriambi's identity. A young man, he states, he has kown Mirambi from his childhood, and was always told by his father and others that she is the widow of the late Killatdar of the Town of Nellore, by name Abdul Hakin; that according to the rules of their sect, there is no privacy as regards Miriambi and himself, and that he has therefore been in the habit of seeing her frequently from his childhood.

5. In the case of Chandbi, another Yeomiahdar drawing 7 Rupees a month, has in like manner come forward and agreed to stand security. He states there is no privacy between Chandbi and himself, and that he therefore sees her frequently. Her late husband, Mahomed Kassim, was the Peish Imam of the Mosque in Nellore, and his preceptor. He is about sixty years old himself, and he remembers when this Chandbi was married while he was under her husband's tuition, and he has known her ever since.

6. The women agreed to my coming to see them personally, but I did not like doing what might hurt their feelings, and it appears to me, is unnecessary. There can be no question as to their identity. They are well known people, and I beg most strongly to recommend that their arrears of pension be ordered to be paid to them without further delay.

Ordered that the above report be submitted to Government with reference to Government Order No. 332, dated 24th February 1864.
