Proceedings of the Madras Government, Revenue Department, 22nd June 1864.

No. 301. Read the following letter from Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Camp, Ootacamund, 19th April 1864, No. 891 :—

SIR,

1. By the Government Orders Nos. 620 and 623, of the 13th instant, I understand that in future no cash payments will be made to my Department by any of the Government Departments in the Presidency, but that vouchers will simply be given for the amount of timber supplied, or in lieu of the seigniorage in Districts where the license system is in force; and that the Forest Department will take credit to the amount of the vouchers, the rate being the market rate at the time of supply.

2. I think that if this arrangement is made generally known to the Department of Public Works throughout the Presidency, to the Ordnance and Gun Carriage Departments, and to the Commissariat, these Departments will in future look more to our Department for their requirements. Timber can be supplied to them from the following Government Forests :—

Madura.	Cuddapah.
Mudumallay.	Kurnool.
Wynad.	Ganjam,
Annamallay.	Nelumbur.
Salem.	North Arcot.

3. At the Annamallays, Mudumallay and Wynad we have large Depôts, but when timber is required by any Government Department from the other forests abovementioned, indents should, when possible, be sent in three or four months previous to the date of requirement.

No. 302. ORDER THEREON, 22nd June 1864, No. 1,083.

Referred to the Public Works and Military Departments, in order that orders may be issued from those Departments for giving effect to the suggestions made in paragraphs 2 and 3 of this letter, as also for preventing the use of superior timber for purposes for which ordinary timber will suffice.
