Proceedings of the Madras Government, Public Works Department, 21*st June* 1864.

No. 437. Read the following Proceedings of the Madras Government in the Revenue Department:—

Referring Proceedings of the Board of Revenue suggesting that the cost of the Nursapúr Táluq Cutcherry, Godavery District, be met from the current year's Reserve, or the work be entered in the Budget for 1865-66. } (Here enter 7th June 1864, No. 966.)

No. 438. ORDER THEREON, 21st June 1864, No. 1,798.

1. The Governor in Council observes that a standard Estimate of Rupees 15,760 was sanctioned in the G. O. noted in the margin, for a combined Táluq Cutcherry and Subsidiary Jail at Amalapúr, Ramachendrapúr and Nursapúr respectively.

Public Works Department, No. 366, dated 4th February 1864.

2. The buildings at the two first named places having been actually in progress at the end of the last official year, further funds were provided for them in the current year's Budget; but as the Cutcherry at Nursapúr had not been commenced and the funds at the disposal of Government did not admit of the work being entered in the Budget, it was necessarily excluded therefrom.

3. His Excellency in Council regrets that it is not practicable to make a grant for the work from the Reserve of 1864-65.

4. Under these circumstances the building must stand over for another year.
