Proceedings of the Madras Government, Revenue Department, 18*th January* 1864.

No. 210. Read the following letter from Lieutenant-Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 6th January 1864, No. 4,363 :—

SIR,

1. In their orders in the Revenue Department under date 23rd July 1863, No. 1,369, Government sanctioned the transfer of the Chingleput Tahsildar's Cutcherry to that town from Tirukalikundrum, and subsequently the Sub-Collector requested that certain alterations might at once be made to the building previously occupied by his own Office at Chingleput to adapt it for the accommodation of the Tahsildar's Cutcherry, representing that the cost was estimated at Rupees 350.

1 Plan.
1 Abstract Estimate.
1 Specification.
1 Letter No. 150, dated 19th August 1863.

2. Under these circumstances the Range Officer was instructed to begin with the work, and to submit in due course the prescribed Estimate which he has done, amounting to no less than 1,040 Rupees. It provides for alterations to both the building above adverted to, and also to a house adjoining it. The Tahsildar, Talook Sheristadar, and a part of their Establishment will occupy the former premises, and the remaining portion of their Establishment with the Treasury, Police Guard and Lock-up will be located in the latter as shown in the accompanying plan.

3. These arrangements which have been nearly completed have been approved of by the Board of Revenue and the Acting Collector, the latter of whom observes that the alterations have resulted in the formation of a most suitable and durable structure in every way adapted for the transaction of the Tahsildar's duties. Mr. Banbury further adds that he apprehends that the old Tirukalikundrum Talook Cutcherry will realize at auction more than has been expended in rendering the building at Chingleput so well adapted for its present purpose.

4. The expenditure on the work up to the end of November amounts to Rupees 926-7-4, and I recommend that sanction may be given for the disbursement of the amount of the Estimate, Rupees 1,040, from the Reserve Fund of the current official year.
