Proceedings of the Madras Government, Revenue Department, 28th June 1864.

No. 337. Read the following Proceedings of the Board of Revenue, dated 11th June 1864, No. 3,582.

Read the following letter from the Acting Collector of South Canara, dated Mangalore, 17th May 1864, No. 81:—

1. With reference to the Order of Government dated 14th March last, No. 441, I have the honor to show marginally the quantiy of provision supplied to the inhabitants of the Islands attached to the District of Malabar in August 1863, out of such as were sent down by Government from Bombay by means of steamers, in aid of the then suffering islanders.

	Rice bags.	Curry stuff.	Salt casks.
Akat Island	100	0	12
Kourat do.	53	2	3
	153	2	15

Value			
153 bags rice at 12-4-9$\frac{1}{3}$ ...	1,881	7	1
2 bags Curry-stuff ...	14	13	4
15 Casks Salt at 5-7-7 ...	82	1	4
	1,978	5	9

2. The total value of the provisions so given to the Malabar Isles is Rupees 1,978-5-9. This amount is recoverable by the Collector of Malabar from the men who received the aid, in part adjustment of the cost debited in the accounts of this District against the head "Advances re-payable," as directed by Government in their above quoted Order.

3. I find from the report of the Monegar of the Islands belonging to this District, that the men of the Akat Island who received the supply as above shown, declared after the whole was formally handed over to them, and receipts taken for the same, that seven bags were missing. It was the duty of the men concerned to secure what they had received, and if anything was subsequently found deficient from their carelessness, they must consider themselves responsible for the alleged shortcoming.

Ordered to be submitted to Government, with reference to their Proceedings dated 14th March 1864, No. 441. It appears from the Collector's letter that out of the cost of provisions supplied to the Laccadive Islands, a sum of Rupees 1,978-5-9 appertains to Malabar. The Collector of this District should recover the amount by two instalments and remit it to the Collector of South Canara by means of a Transfer Receipt, to enable him to adjust the amount to the credit of "Advances re-payable."
