SIR,

Miscellaneous.

1. In continuation of my letter dated 22nd March 1864, No. 494, I am directed to forward copy of a communication from the Collector of the Kistna District, reporting that the late Mahomed Ali Khan has left no relatives at Masulipatam entitled to support from his allowance.

2. The father of the deceased received (as fourth son of the "Nawab of Masulipatam") an allowance of Rupees 419-6-0 per mensem. On his death Rupees 300 of this sum were continued to Mahomed Ali Khan, who died on the 16th March 1860, leaving according to the statement of the Agent of the family at Masulipatam, seven sons and two daughters. The Political Resident at Bushire in a letter to the Collector, dated 22nd February 1862, reported that Mahomed Ali Khan had bequeathed all his property to his second son, to the prejudice of the eldest, but whether he had more than these two sons is not stated. The copy of the Will of Mahomed Ali Khan, forwarded by that Officer, supports the Agent's statement.

NOTE.—The remaining Rupees 119-6-0 were granted to the widow of Jaffer Ally Khan, on her death $\frac{1}{4}$ths of this sum were continued to her three daughters Two of the daughters have since died and their shares have lapsed.

3. The pension granted to the Masulipatam family was "to be continued during the Company's good pleasure."

4. The practice in this Presidency with regard to pensions of this character is gradually to reduce them on each lapse. On the present occasion the Government consider that an allowance of Rupees 200 monthly will be quite sufficient. The pension will thus be diminished in the same proportion on the second as on the first lapse.

5. Whether the family are entitled in addition to this allowance to the good service pension granted to Jaffer Ali by the Supreme Government, must depend on the nature of the services and the terms of the grant, on neither of which points have this Government any information.

6. The Masulipatam pension dates from 1772, and would probably be regarded by the family, as of a more permanent character than the good service allowance.

I have the honor to be,
Sir,
Your most obedient servant,

It is positively asserted that the allowance (which falls to his share out of the family Pension) enjoyed by the late Mirza Mahomed ally Khan from the Government, is the only chief means of support of the said Members of his family.
