Proceedings of the Madras Government, Revenue Department, 29th June 1864.

No. 352. Read the following Proceedings of the Board of Revenue, dated 30th May 1864, No. 3,262.

Read again letter from the Collector of Kurnool, dated 23rd April 1864, recorded in the Board's Proceedings under date 12th May 1864, No. 2,893A.

Read also the following Memorandum from the Civil Paymaster, dated 14th May 1864, No. 53.

The journeys having been made within the limits of the District, Travelling Allowance cannot be admitted by this Office; the bills are therefore returned unaudited. The claim can be admitted only, if specially sanctioned by Government.

1. In the letter above recorded, the Collector of Kurnool recommended that Travelling Allowance should be passed to his Head Assistant, Mr. Arbuthnot, for a dâk journey which he made to and from Cumbum to Kurnool, on the occasion of Mr. Minchin being directed by Government to take charge of the Bellary District. Mr. Minchin recommended that the allowance be granted as a special case, inasmuch as more than usual despatch was necessary.

2. The Board sanctioned the charge, and forwarded Mr. Arbuthnot's Bills to the Civil Paymaster; but the latter Officer has refused to pass the amount on the ground that the journeys referred to were made within the limits of the Kurnool District. The Board, therefore, are compelled to solicit the special sanction of Government for the charge.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 12th May 1864.

Read the following letter from the Collector of Kurnool, dated 23rd April 1864, No. 57 :—

1. I have the honor to forward two travelling bills for journeys taken by Mr. Arbuthnott, to receive and make over charge of the District on my being recently sent to Bellary by the orders of Government.

2. On the receipt of the Government order, I was in the Cumbum Taluk with my Cutcherry, co-operating with Mr. Thacker in the investigation into cattle disease which he was then carrying out. On my own forced departure it was absolutely necessary for Mr. Arbuthnott to return to his Taluks immediately after taking charge, as we had found from experience that Mr. Thacker was unable to carry out his mission effectually unless supported by the presence of one of the higher Revenue authorities.

3. This necessity entailed upon Mr. Arbuthnott two dâk journeys instead of one, and the bills now submitted do not more than cover the expenses actually incurred by him on this account.

ENCLOSURES Nos. 1 & 2.—Bills.

Resolved that the two bills received with the foregoing letter amounting to Rupees 212 on account of the travelling allowance of the Head Assistant Collector, [illegible] sent to the Civil Paymaster with reference to the Board's Proceedings dated 31st March 1864, No. 1,870, which the Collector should have quoted in his letter. As this is a special charge, the Board do not consider that it can be properly included in any of the Contingent Bills.
