Proceedings of the Madras Government, Revenue Department, 29th June 1864.

No. 358. Read the following letter from the Honorable C. PELLY, Member of the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 14th June 1864, No. 1,726 :—

SIR,

1. I have the honor to forward a correspondence between the Collector of Nellore and myself, and with reference to Mr. Dykes' strong recommendation to request the sanction of Government for raising the salary of the Sub-Magistrate at Streeharicottah from the lowest to the new *second* rate of salaries, viz., to 70 Rupees. Mr. Dykes points out that this Sub-Magistrate is stationed in an important line of traffic, and is called on to act in cases very different to what are likely to occur among the regular inhabitants of the division.

To Collector of Nellore, dated 4th May 1864, No. 1,709.
From do. 4th June ,, ,, 2,796.

2. The salary at present attached to this Sub-Magistrate is 35 Rupees. This lowest or fourth grade will be everywhere abolished when the revised scale receives the final sanction of Government, and 50 Rupees will be the lowest scale, intended only for very small and the least important stations; 70 Rupees per month will be the general rate for the ordinary stations, and 100 Rupees for the most important. The station of Streeharicottah should therefore come within the second scale.

3. With respect to Pulur (or Suluripet), the salary of which is now 65 Rupees, (the station being in the Zemindary of Vencatagiri), I propose to make no change until the final sanction of Government is given to the revised rates. The salary will then be raised to 100 Rupees.

No. 359. ORDER THEREON, 29th June 1864, No. 1,110.

Miscellaneous.

Sanction is accordingly granted for raising the pay of the Sub-Magistrate of Streeharicottah from Rupees 35 to Rupees 70 per mensem. Mr. Pelly will include the charge in his general Statements showing the revision of the Establishments.
