Proceedings of the Madras Government, Revenue Department, 30th June 1864.

No. 366. Read the following Proceedings of the Board of Revenue, dated 13th May 1864, No. 2,926.

Read the following letters :—

From the Acting Collector of Madura, dated 16th January 1864, No. 8.

1. I have the honor to report the death on the 29th November last, of Colandavaloo Pillay, Karbar, attached to the establishment of Mutturamalinga Sethupatty, deposed Zemindar of Ramnad who was in receipt of an allowance of Rupees 8-12-0, under the authority of the Court of Wards, dated the 9th November 1854.

2. The women attached to the family request the appointment of his son Ramasawmi Pillay as successor, as his services, it is alleged, are required for them. There is also another servant of the same description attached to the establishment.

3. Referring to paragraph 5 of the Board's Proceeding dated 28th October 1863, No. 6,890, I beg to submit, I have not on my records the remarks of the Board on the Collector's List therein alluded to, to enable me to ascertain whether or no the allowance in question is one of those which the Board proposed should be continued for life. I beg therefore I may be favoured with a copy of the Board's remarks when I shall be in a position to dispose of the claims now preferred.

From the Collector of Madura, dated 15th April 1864, No. 84.

1. In acknowledging the Board's Official Memorandum, dated 9th February, No. 138, forwarding copy of the Board's remarks on the list of pensions granted to the family and servants of the deposed Poligar, Mutturamalinga Sethupatty of Ramnad, I beg to report that the pension enjoyed by the deceased Colandavaloo Pillay was one sanctioned by the Court of Wards under date the 9th November 1854, on the death of his father Ramasawmy Pillay, to whom it was continued by a former Collector without authority. But upon the recommendation of Mr. Parker that the services of such a servant were necessary for the convenience of the family of the late Poligar, the pension was sanctioned by the Court of Wards in the name of Colandavaloo Pillay, the deceased.

2. The Gosha females of the family represent that the service of a servant in lieu of the deceased is required by them. As the necessity which then existed for sanctioning the entertainment of such servant still remains good, I beg to recommend the continuance of the allowance in the name of the deceased's son Ramasawmy Pillay.

3. Since writing the first letter, No. 8, dated 16th January last, another report was received of the death on the 22nd ultimo, of Namasivayam Pillay, another Karbar attached to the establishment of the Sethupatty, and who was in receipt of Rupees 12-11-9 per mensem under the order of Government dated 23rd March and 31st August 1847. The women request that a successor should be appointed to him also, and recommend his son Comarasamy Pillay to the office.

4. The Sub-Magistrate of Ramnad, who is in charge of the establishment since the abolition of the Salt Amildar's office, and the Shroff of the branch Treasury represent that the services of two such servants are required for the convenience of the women ; they being in seclusion, all their affairs are carried on by these head servants. They draw all the pensions and distribute them to the proper parties in the palace for which they are responsible, and also attend to all other household business. There are at present eight women in the palace enjoying the bounty of Government.

5. It appears that Mr. Parker also considered the retention of two such servants necessary inasmuch as he recommended for sanction the continuance of a pension drawn by the father of the first deceased Pensioner Colandavaloo Pillay, while there was another servant of the same description, *vide* letter to Board of Revenue, No. 179, dated 18th October 1854, and extract from the Proceedings of the Court of Wards, dated 9th November 1854.

6. I would therefore beg permission to recommend that the deceased's son Comarasawmy Pillay be appointed in place of his father.

7. I beg to submit that the above allowances were not pensions granted for maintenance of the parties who enjoyed them, but for services actually performed, and which are reported to be stillrequired.

1. Ordered that the above papers be submitted for the orders of Government.

2. The allowances in question have continued to be paid on the authority of Government dated 23rd March and 31st August 1847, and in one case, that of Colandavaloo Pillay, the allowance of Rupees 8-12-0 per mensem was renewed under the sanction of the Court of Warda given in their Proceedings, No. 2,493, dated 9th November 1854.

3. As the services of the two domestics (Karbars or Managers) appear to be actually required, the Board of Revenue recommend that the sons of the deceased incumbents (whom the Gosha female pensioners concerned approve of) be appointed to the situations respectively, namely, Ramasawmy Pillay to the situation of Rupees 8-12-0 per mensem, and Comarasawmy Pillay to that of Rupees 12-11-9 per mensem.
