Proceedings of the Madras Government, Revenue Department, 1st July 1864.

No. 10. Read the following Proceedings of the Board of Revenue, dated 20th June 1864, No. 3,788.

Read the following letter from the Collector of Tinnevelly, dated Tenkasy, 7th June 1864, No. 219:—

1. With reference to paragraph 2 of the Proceedings of Government, dated 27th April 1864, No. 727, Revenue Department, calling for a report as to the neglect of the Talook authorities in Tinnevelly stated by Mr. Blair in paragraph 9 of his letter to Government dated 18th April 1864, I have the honor to report as follows.

2. On the receipt of the Inám Commissioner's letter of the 27th February 1863, enclosing forms of Vernacular Registers and Tamil translations of instructions for the preparation of the same, the requisite number of copies of both were printed in my Press and circulated to all Tahsildars in the District with strict injunctions to have the Registers prepared and laid before the Deputy Collectors as soon as they entered upon the Inám investigation, and also to furnish whatever further information may be required of them, and subsequently I had sent repeated orders on the subject, and I have every reason to believe that my orders have been attended to.

3. The Inám investigation is now going on in the Tinnevelly and Ambasamudram Talooks and from the reports received from the Tahsildars, it appears that the Registers were prepared according to the forms for all the villages, except a few, and laid before the Deputy Collectors immediately on their arrival, and also that the Talook Sheristadars and Gumashtas were in attendance to aid them in their work, but that the Deputy Collectors then issued fresh instructions calling for further particulars for their information with reference to the tenures of the District, and for other and separate Registers to be prepared, so that the Talook officials had to prepare fresh Registers, which they did as expeditiously as possible.

4. The Demarcation and Survey operations are also going on simultaneously with the Jummabundy settlement, but the Talook authorities have not been remiss in affording whatever aid was required of them, to facilitate the Inám inquiry.

5. I have now again issued Circular orders to the other Tahsildars, drawing their attention to my former orders, and to the fresh instructions of the Deputy Collectors, and I do not anticipate any delay on their part.

---

1. Submitted to Government, with reference to their Order quoted by the Collector.

2. Special allowance for the Village and Talook Officers is necessary, when the Survey and Settlement operations are being carried on simultaneously with the Inám inquiries.
