Proceedings of the Madras Government, Revenue Department, 1st July 1864.

No. 14. Read the following Proceedings of the Board of Revenue, dated 18th June 1864, No. 3,743.

Read the following letter from the Collector of Salem, dated 7th June 1864, No. 103 :—

I have the honor to state that two Inám lands, noted in the margin, granted for the support of the Pagoda of a Mariemmon at Vennyapuram *in the Ahtur Talook*, are reported to be rendered unfit for cultivation, owing to the great injury that has been caused to these lands by the surplus water of a neighbouring tank running upon them. These Ináms were investigated into by the Inám Commission Department in April 1862, and the Inám Commissioner has notified in the Inám Register, copy of which accompanies, that other lands should in consequence be granted in lieu of the original lands. The Tahsildar of Ahtur reports that the Inámdars have applied for two Podoogal lands, Nos. 278 and 279, the particulars of which are given in the margin, and requests that they may be granted for the Pagoda, and that the parties agree to pay the excess of assessment in the shape of a Jodighy, viz., Rupees 1-3-4. I request to be favored with instructions as to other lands being granted for the said Pagoda.
