Proceedings of the Madras Government, Revenue Department, 19th January 1864.

No. 215. Read the following Proceedings of the Board of Revenue, dated 18th November 1863, No. 7,323 :—

Read again the Order of Government in the Revenue Department, No. 934, dated 1st June 1863, referring to the Board of Revenue a letter from the Collector of Salem with an Indent in triplicate on the Commissary General for six Iron Cots for the Travellers' Bungalows at Mullapadi, Shulagheri, and Royacottah.

(In Cons. 2nd June 1863, No. 3,366.)

Read also the following letter from the same Officer, dated 16th October 1863, No. 195.

1. "With reference to the Proceedings of the Board, dated the 17th June last, requiring me to report whether provision has been made for the purchase of six Iron Cots required for the use of certain Travellers' Bungalows in this District and whether the Wooden Cots in those Bungalows cannot be repaired, I have the honor to state, that I have learnt from a report received from the Public Works Department that they are in a very shaky state, and that it would cost as much to repair them as to buy new ones. I therefore request that the six Iron Cots applied for may be supplied to the Bungalows as soon as possible, as travellers are at present put to much inconvenience.

Shulagheri.
Mullapadi.
Royacottah.

2. A sum of Rupees 700 has been provided in the Budget of this official year to meet the contingent charges of Travellers' Bungalows in Salem, and the price of the cots may be paid out of that amount.

---

1. Ordered that the above recorded letter be submitted for the orders of Government.

2. Under the Collector's explanation, the Board see no objection to the supply of the six Iron Cots indented for by the District Engineer of Salem for use in the Travellers' Bungalows at Mullapadi, Shulagheri, and Royacottah; and accordingly recommend that the Commissary General be authorized to issue them from his Stores, without payment, under the Orders of the Government of India, dated 28th August 1863, quoted in the Board's Standing Circular, No. CXXVIII, dated 22nd September 1863.

3. The price of the Wooden Cots recently supplied by the Board to certain Travellers' Bungalows, was 12 Rupees each cot, and as it is understood that the price of the Iron Cots issued by the Commissary General for use in Barracks is under 18 Rupees each, the Board are inclined to think that the supply of Iron (in lieu of Wooden) Cots to such Travellers' Bungalows as may in future require the renewal of this article of furniture, is desirable on the ground of economy. Before making any definite proposal, however, for giving effect to this arrangement, the Board request the Commissary General to favor them with his opinion and to be good enough to state the price of the kind of Iron Cots above referred to, and to what extent he could meet Indents for them from his Stores.

No. 216. ORDER THEREON, 19th January 1864, No. 112.

Recorded, with reference to the Proceedings of Government, dated 14th January 1864, No. 80.
