Proceedings of the Madras Government, Revenue Department, 2nd July 1864.

No. 29. Read the following Proceedings of the Board of Revenue, dated 13th June 1864.

Read the following letter from W. M. CADELL, Esq., Collector of Tanjore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Point Calimere, 10th June 1864, No. 190 :—

SIR,

In their Orders dated 10th March 1864, No. 415, the Government have been pleased to authorize me, pending their final decision on the subject, to raise the rates of Kudivarum for the current season only to the rates and at the places specified in my letter of the 26th September last, No. 346; but since the time the question of Kudivarum was first mooted, a part of what was formerly included under the head of Nedavassal Division has been separated in the revision of the Salt Department made by the Honorable Mr. Pelly, and made into a distinct division under the designation of Chandrapadi. The Civil Paymaster not being aware of these changes or of the localities, will, I apprehend, refuse to sanction the increased rate of Kudivarum in the case of Chandrapadi. I therefore beg to request that the Board will be good enough to request the Government to direct that Officer to pass the same.

Submitted for the sanction of *Government* as requested.

No. 30. ORDER THEREON, 2nd July 1864, No. 1,135.
