Proceedings of the Madras Government, Revenue Department, 2nd July 1864.

No. 43. Read the following letter from L. BOWRING, Esq., Commissioner for Coorg, to J. D. SIM, Esq., Secretary to Government in the Revenue Department, Fort Saint George, dated Bangalore, 22nd June 1864, General No. 79, Revenue No. 1 :—

SIR,

With reference to the Proceedings of Government, noted in the margin, forwarded with your letter No. 806, dated 9th May 1863, respecting the supply of Chinchona plants for cultivation in Coorg, I have the honor to annex copy of a communication from the Superintendent of Coorg, No. 202, dated 15th instant, reporting on the progress of the plants, and to request that His Excellency in Council will be good enough to issue such instructions to Mr. McIvor as may facilitate the assignment of as many Chinchona plants to Coorg as may be considered practicable.

Revenue Department, No. 805, dated 9th May 1863.

From Captain R. N. TAYLOR, Superintendent of Coorg, to the Secretary to the Commissioner for the Affairs of Coorg, Bangalore, dated Coorg, 15th June 1864, No. 202.

SIR,

I have the honor to report for the information of the Commissioner that the Chinchona plants imported by me from the Neilgherries last year, and planted three miles from Mercara on the Fraserpett Road on the 24th August 1863, have progressed so favourably as to be already as a rule about three feet high, strong, and healthy. There is every reason to conclude that the climate of Coorg is suited to the Chinchona, and I have therefore to request that the Commissioner will be so good as to move the Madras Government to direct the Superintendent of Chinchona Plantations at Ootacamund to inform me, what number of plants he is prepared to supply me with this year, in order that I may make arrangements at once to send for them.

(True Copy.)

(Signed) L. BOWRING,
Commissioner.

No. 44. ORDER THEREON, 2nd July 1864, No. 1,142.

Miscellaneous.

1. Communicated to Mr. McIvor, who is requested to state what number of plants he can spare with due regard to his own requirements and his engagements to the public.

2. The Commissioner will be informed that Chinchonas are furnished to the public at 4 Annas each, experience having shown the impolicy of gratuitous distribution. This price will, therefore, be charged for plants supplied to private individuals in Coorg, who otherwise would be more favourably treated than Planters in this Presidency.

(True Extract.)

(Signed) C. G. MASTER,
Deputy Secretary to Government.

To the Superintendent of Chinchona Plantations, Ootacamund.

Exd. S. T. Augustin.

No. 1142.

Communicated to Mr. Mc Ivor, who is requested to strike out Members of planks he may see fit, and to add such as he may deem to his list of registered and his engagements with the public.

2. The Commissioners will be informed that Circulars are furnished to the publicans, and forms each of forms having shown the impolicy of gratuitous distribution - this price will, therefore, be charged for planks supplied to private individuals in Boroughs, who otherwise would be more favorably treated than plumbers in this Presidency.
