Proceedings of the Madras Government, Revenue Department, 6th July 1864.

No. 107. Read the following Proceedings of the Board of Revenue, dated 29h October 1863, No. 6,912.

Read the following letter from V. H. LEVINGE, Esq., Collector of Madura, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Pooducotta, 10th October 1863, No. 221 :—

SIR,

I have the honor to report that the extent and assessment of the land assigned for Cotton cultivation in this District, shown in the Statement submitted by the Board to Government appended to their Proceedings under date the 28th August last, No. 5,428, agrees with the particulars given in the enclosure of my letter of the 28th July 1862, No. 150, but the Tahsildar of Dindigul, in whose division the land is situated, now informs me that the spot that had been first applied for was not cultivated with Cotton by the applicant, but another spot of the same extent (Acres 30) owing to the latter being nearer to the village than the former, and for other causes. The tax of that land is Rupees 34-7-10 or Rupees 7-12-11 less than the amount of assessment given in the enclosure referred to above.

Ordered that the above letter be submitted to Government, with reference to paragraph 2 of the Board's Proceedings dated 28th August 1863, No. 5,428, and with the request that the amount of assessment entered opposite the Madura District in the Statement of land assigned for Cotton cultivation, forwarded therewith, be altered from Rupees 42-4-9 to Rupees 34-7-10.

No. 108. ORDER THEREON, 6th July 1864, No. 1,171.

Ordered to be recorded.
