Proceedings of the Madras Government, Revenue Department,
6th July 1864.

No. 109. Read the following Proceedings of the Board of Revenue, dated 28th June 1864.
Read Proceedings of the Madras Government, Revenue Department, dated 11th June 1864, No. 998:—

1. The Board are not disposed to think that the arrangement for facilitating payments in one District on account of liabilities incurred, or to be incurred in another would be availed of to a sufficient extent to counterbalance the objection urged by the Acting Accountant General against the Government proposal.

2. They do not understand his objection to extend to payments into the Huzur Treasury, in order to establish a credit in the Talooks for the purchase of Salt in the same District, and this portion of the scheme should, in the Board's opinion, be fully carried out.

No. 110. ORDER THEREON, 6th July 1864, No. 1,172.

Separate Revenue, No. 29.
Salt.

Under the circumstances stated by the late Acting Accountant General in his letter, dated 17th May 1864, No. 23, the Government resolve not to authorize the receipt of money in one District for Salt to be purchased in another. Mr. Lushington's objections do not evidently refer to payments made in the Huzur Treasury for Salt to be purchased in the Talooks in the same District, and this part of the scheme as explained in paragraph 3 of the Board's Proceedings dated 4th May 1864, No. 2,701, may be carried out. The Board will issue the necessary instructions to the Collectors.
