Proceedings of the Madras Government, Revenue Department, 5th January 1864.

No. 20. Read the following Proceedings of the Board of Revenue, dated 2nd December 1863, No. 7,585 :—

Read the following letter from C. W. READE, Esq., Collector of South Arcot, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Cuddalore, 30th September 1863, No. 267.

SIR,

1. Adverting to the orders of Government dated 15th June 1863, No. 1,046, communicated with the Board's Proceedings of the 19th idem, I have the honor to submit the plan of the Choultry built by Rungapah Naick at Oolundoorpet, and to state that there is no Chuttrum for the accommodation of travellers within ten miles of the said Rungapah Naick's Choultry on the same line of road.

2. I have also to state that after much inquiry it was found that with the exception of the 2¾ Cawnies of old Maniem land there was no available waste within the limits of the village where the Choultry is situated, and therefore the remaining portion to the extent of C. 22, A. 6, P. 3, was necessarily selected in the adjoining village Navanai, and I trust under this explanation that the Government will be pleased to sanction the endowment of this Chuttrum to the above extent and in the manner already proposed.

Read also the following Official Memorandum from the same Officer, dated 24th October 1863, No. 286.

1. The Collector has the honor to return the Plan of the Chuttrum built by Rungapah Naick at Oolundoorpet, showing the additional information, in a tabular form, in regard to the allotment of covered space for each class of travellers, as required in the Secretary's Memorandum of the 17th instant, No. 850.

2. Besides the Chuttrum there is at Oolundoorpet a Bungalow for European travellers, and another of an inferior description for the use of Soldiers and others not entitled to occupy the former.

ENCLOSURE No. 1.—Plan.

1. Ordered that the above papers and plan be submitted to Government, with reference to their Order No. 1,016, dated 15th June 1863.

2. The Collector reports that there is no Chuttrum for the accommodation of travellers within ten miles of Rungapah Naick's Choultry on the same line of road; and that with the exception of the 2¾ Cawnies of old Maniem land, there was no available waste within the limits of the village where the Choultry is situated, and therefore, the remaining portion to the extent of C. 22, A. 6, P. 3, was necessarily selected in the adjoining village Navanni.

3. Under the above circumstances, and as the plan of the Chuttrum herewith submitted, shows that, the convenience of all classes of travellers has been fairly considered in the distribution of the space in the building, the Board repeat their recommendation, that the land valued at a yearly revenue of 60 Rupees, as proposed by the Collector, be granted as an endowment to the Choultry, in support of the necessary charges for its maintenance.

No. 21. ORDER THEREON, 5th January 1864, No. 11.

Under the explanation now furnished, the Governor in Council is pleased, under the Resolution of the Government of India noted marginally,* to sanction the grant of the land referred to valued at a yearly revenue of Rupees 60, in endowment of the Choultry built by Rungapah Naick at Oolundoorpet in the South Arcot District.
