To

W. Hallecliffe Esquire
Secretary to the Board of Ordnance
Pall Mall George

Sir

I am directed by the Lords Commissioners of the Treasury to acquaint you for the information of the Board of Ordnance that they have received a Memorial from Captain Bruce late of the 1st Regiment of Ceylon Rifles stating that he has been informed that the Board of Ordnance have refused to allow him the Rank of Major in the Army while employed in Ceylon and requesting that he may be allowed the Rank of Major in the Army while employed in Ceylon.

Their Lordships have referred the Memorial to the Treasury Solicitor for his opinion thereon and I am to request that you will state to this Department for the information of the Lords Commissioners of the Treasury whether the Board of Ordnance have any objection to the Rank of Major in the Army being allowed to Captain Bruce while employed in Ceylon.

I am Sir
Your obedient Servant

Letter from the Solicitor of the Treasury to the Board of Ordnance 23rd June 1864 re Captain Bruce.

I forwarded with the State-
ment a rough sketch of the Canal in
question which is a small valley sur-
rounded by low hills, perhaps that a
Sketch may answer the purpose of a
Government; if a correct survey & re-
port is required I shall be obliged to call away
the Surveyor from his more important
duties in connection with the Irrigation
Company and the village of Koilkonda
is situated at a distance from the line of
Communication Canal, where the Surveyor's
services are

I have &c.
