Proceedings of the Madras Government, Revenue Department,
19th July 1864.

No. 287. Read the following Proceedings of the Board of Revenue, dated 5th July 1864, No. 4,151.

Read the following letter from the Collector of Nellore, dated 17th June 1864, No. 176 :—

1. I have the honor to acknowledge the receipt in due course of endorsed Petitions Nos. 521, 1,353, and 1,421 of 1864 (herewith returned) forwarded to me by the Board for disposal and endorsement.

2. The Petitioner Tankasala Krishnaya is a Sub-Contractor of the Abkary Renter of the Ongole Farm during its last lease, *i. e.* from Fusly 1267 (A. D. 1857-58) for five years ; and he now claims refund of his rent as compensation for loss sustained by him by his closing the Abkary shops along the line of march in the Ongole Talook on three occasions of troops passing through in August 1859 and January and February 1861.

3. The troops which on inquiry are found to have passed through Ongole in 1859 and 1861, on account of whose halt there Petitioner claims compensation, are

(1.) The C. Company, 4th Battalion, Artillery, marching from north to south, in August 1859 ;

(2.) A detachment of European Soldiers and native officers marching from south to the north in January 1861 ; and

(3.) A Company of the Sappers and Miners proceeding north in February 1861.

4. And Petitioner having closed his shops while these troops were marching through, with reference to instructions issued in accordance with the rules on the subject circulated by the Board under date the 8th August 1859, No. 2,140, the claims for compensation now put forward appear well founded.

5. The Nellore Abkary Renter having also claimed compensation for the closing of his shops in August 1859 on the occasion of the Company of Artillery passing through, his claim was duly inquired into, and Rupees 47-1-5 were remitted in his rent, which amount was recommended by me to be written off the accounts in my Jamabandi Report for Fusly 1271, and was in due course sanctioned and so written off.

6. But neither the Petitioner nor any of the other Renters along the line of march put forward at the time any claim for remission on account of loss sustained on the three occasions of troops passing through above referred to. Reports were called for and the accounts were received. But no recommendation was made in their behalf to the Board, as the reports and accounts, &c., aforesaid were overlooked and mislaid in the office. They have since been found during the sorting of the older records now in progress in the office, and Petitioner having again put forward his claim to compensation, I have the honor to request the Board's sanction for the refund of Rupees 29-12-11 to Petitioner which appears to be the amount as particularized in the margin to which he is fairly entitled for loss sustained as above described.

ENCLOSURES Nos. 1 to 3.—Petitions.

Under the circumstances reported, the Board resolve to request the permission of Government to refund Rupees 29-12-11 to Petitioner. The special provision for such cases in the present leases is of later introduction than Petitioner's lease.
